On May 9, 2011 Sharon Robinson, BSN, MHA, Director of Care Coordination for Central Connecticut Senior Health Services, received the Connecticut Association of Not for Profit Providers for the Aging (CANPFA) Employee of the Year Award. Sharon has been a member of our team over the past fifteen years. In addition to playing a pivotal role in developing the short-term rehabilitation specialty for which we have become known, Sharon has assisted in the growth and development of the Connecticut Center for Healthy Aging, a geriatric resource and information center for seniors throughout central Connecticut. Sharon's dedication and commitment has helped our not-for-profit care communities meet the needs of thousands of elders who have benefited from our services. She truly believes in what she does and gives her all to achieving desired results.

*Central Connecticut Senior Health Services is a not for profit provider.*
